

LIFE'S LONELY DANCE (*The Living version*)  
(Ad Vanderveen)

Capo 2

Intro:

G Am F

Dancing through life knocking over glasses

G Am F

Dancing through life touching everyone he passes

G Am F

Moving around like crazy looking kinda wild

G Am F

Talks like a wise man acts like a child

G Am F

All those years of bondage and his heart runs free

G Am F

Never knows tomorrow where or what he'll be

G Am F

It all depends, all begins and ends

C G

On how you move to chance and circumstance

Em F

In life's lonely dance

G Am F

Objects in the mirror are nearer than they appear

Read it in the rear view pulling out of here

Speeding out to nowhere in a rental car

Never know what you got till you feel it from afar

Wonder do you ever know how lonely you are

Chorus

Here's to these old friends and new friends of mine

Running in crooked and parallel lines

There once and for all or whatever time will bring

Once and for all there ain't no such thing

Chorus
