

NOWHERE TO BELONG (*Garage version*)
(Ad Vanderveen)

Intro:

G D G

Plenty of places to be and nowhere to belong

G D G

Plenty of ways to be free but I can't find my own

C G

Who'd ever thought I would be breaking our home

C Em

Over plenty of places to be and nowhere to belong

G D G

Can you control where your love runs

D G

Ruling your heart with your head

D G

Working it so hard to keep from

A

Drowning in doubts and regret

C D

Chorus

I thought I'd live with a hunger

Keeping it way down inside

But it can't be denied any longer

Just had to be satisfied

Now we both live with the losses

Time will reveal what is gained

Bearing the scars and the crosses

Beyond all the sorrow and pain

Chorus
